The Turner Syndrome Society of the U.S.’s (TSSUS) mission is to create awareness, promote research, and provide support for all those persons touched by TS.

Dear Friends,

One of the joys of preparing an annual report is that it gives us the opportunity to look back and be thankful for all that has been accomplished. The past fiscal year was filled with wonderful opportunities and many challenges. Some of the highlights were:

- We were able to provide services to meet the needs of the TS community in 2015:
  - Through 113 events held to support and connect women and families at in-person events nationwide.
  - 575 attendees gained knowledge and made connections at the TSS Annual Conference.
  - Created new resources for women and families to support TS health care needs such as audio files,
  - Supported 64 TS health providers and researchers through projects such as the Turner Resource Network, TS Symposium and promotion of 11 research studies.
  - Offered resources and personally supported over 7,300 emailers/callers.

The following is an overview of TSSUS’s income and expenses for the fiscal year ended December 31, 2015.
